# CERTIFICATE III in INVESTIGATIVE SERVICES

Private Investigation/Surveillance/Factual investigation

## “Easy to learn self paced study. Includes Business Criteria worth \$395 for free”

The **new** certificate III in Investigative Services (CPP30607) is carefully designed for the professional training and development of non-experienced Private Investigators and is now a pre-requisite for factual and surveillance Investigator licensing in all states of Australia.

Using the industry's **NEW CPP30607 standard** as its base National Qualification; receive the advantage of combining classroom delivery, field training and self paced study supported with **premium learning materials** and direction from industry experts linked to employment referrals with prominent employer groups **for men and women**. You can commence your course immediately!

The course is delivered at a standard which far exceeds requirements and provides participants with a basic understanding of the principles of conducting a factual investigation and introduces the principles of covert surveillance. The course is primarily designed for those persons that have little or no previous experience and provides a bridge between getting the foundation skills to be licensed and entering the field.

Receive the support and guidance of experienced in-field Agents

## Course content

Package Includes: Compiling written reports; preparing evidence for use in court; giving evidence in court; leading small teams; supervising staff; organising and monitoring field operations; OH&S, Covert Surveillance, Mobile Surveillance techniques, (vehicle and foot), missing persons, investigative reports, interview techniques, statement taking, as well as a number of other small business related electives.

## Meets Business Criteria Security Agent and Investigation Agent

Take advantage of meeting the business knowledge and experience requirement for a business condition under the Security and Investigation Agents Act 1995 approved by the Commissioner for Consumer Affairs. This provides for subcontracted work.

## What do employers have to say?

- *Skills imparted to trainees put them in good stead for employment within the security industry.” ( Michael Papps) General Manager Consolidated Security Group 2009*
- *“Invaluable at increasing the employment skills for any person wishing to enter the security industry. “(Barry Nelson) State Manager Advent Security 2009*
